CITY OF BENTON SIGN PERMIT APPLICATION

The permit request below should be filled out and a graphic rendering of the sign provided, including a site plan for free standing signs.

Note: State law requires that: All commercial contractors working on any project that is not a single-family residence where the total contract value is \$50,000 or more, including materials and labor, must have a license.

[AR Code 17-25-101]

- Once documentation has been submitted and approved, any changes made to the design or location of the sign will require submitting corrected/revised documentation.
- Each Site Sign must be submitted separately with its own application/attachments.
- Attach explanation & drawings with dimensions. Also include landscaping information.
- A white stake is to be placed in location of all site signs.
- There shall be a four (4) foot minimum width landscape strip around the base of all ground mounted signs. Strip should increase based on overall bulk and scale of design. (Ordinance 14 of 2017)
